

Technische Universität Berlin

Technische Universität Berlin offers an open position of a:

Research Assistant - 0.75 part time - Entgeltgruppe 13 TV-L Berliner Hochschulen

Faculty II – Department of Mathematics / Collaborative Research Center/Transregio 109 „Discretization in Geometry and Dynamics“

Reference number: II-141/14 (to be filled from 01.07.2014 for two years/ closing date for applications 30.05.2014)

Working field: Research within the following project of the CRC/TRR 109, funded by the DFG (German Research Foundation): A5 – U. Pinkall. Conformal deformations of discrete surfaces. PhD thesis preparation is possible.

Requirements: Successful candidates must have completed a university degree (Master, Diplom or equivalent) in mathematics. A thorough understanding of differential geometry and related subject areas and a strong interest in both fundamental research and in applications are prerequisite. Experience in the implementation of algorithms within the context of discrete differential geometry or computer graphics is desired. More information about the position can be obtained from Ms. Gillmeister: gillm@math.tu-berlin.de.

Please send your application **with the reference number** and the **appropriate documents** (cover letter mentioning the project reference number, CV, list of publications and transcript of records) **via e-mail** to Ms. Gillmeister gillm@math.tu-berlin.de or in writing to Technische Universität Berlin - Der Präsident -, **Fakultät II, Institut für Mathematik, Prof. Dr. Pinkall, Sekr. MA 8-1, Straße des 17. Juni 136, 10623 Berlin.**

To ensure equal opportunities between men and women, applications by women with the required qualifications are explicitly desired.

Handicapped applicants with equal qualifications will be favoured.

Please send copies only. Original documents will not be returned.

The vacancy is also available on the internet at <http://www.personalabteilung.tu-berlin.de/menue/jobs/>.
